Did you know that in the in the Metroplex, at least 200,000 pets die every year because there are not enough homes? This is staggering news but we can help, one pet at a time, with your support!

East Lake Pet Orphanage is a volunteer driven “NO KILL” non-profit rescue group. None of our Board of Directors or Advisory Council draws a salary so that more dollars go directly to help pets. Our mission is to connect people and pets for the mutual enrichment of life. For some people this happens through adoption, for others this happens through volunteering, while others make a difference through charitable giving. Together we can make a difference in solving a community-wide problem.

East Lake Pet Orphanage Pet Fair, the largest interspecies adoption and pet educational event in the city is being held rain or shine, Saturday, November 14, 2015 from 1:00 PM to 4:00pm at 10101 E. Northwest Highway. Pet Fair is a free pet friendly event for the whole family! Goals for Pet fair include:

- Educating the public about the importance of spaying and neutering, micro-chipping and wellness care.
- Engaging the community in efforts to reduce the euthanasia rate and increase adoptions.
- Connecting your product and services with the community.
- Introducing the community to a variety of types of pets beyond cats and dogs that include birds, pigs, reptiles, rabbits and many more.
- Fun for the family with animals, food, games and entertainment for all!

How YOU can help:

- Sponsor a product/ services table or game booth at the event.
- Make a tax-deductible donation of products and/or services for our silent auction and raffle
- Make a tax-deductible contribution to help us care for the hundreds of homeless pets who come to the orphanage each year.

Call to reserve your spot today at 214-342-3100 or email events@welovepets.net. All spaces are subject to availability on a first-come basis.

All non-profit animal rescue groups are welcome to a complimentary space if reserved in advance and are welcome to solicit donations and offer pet adoptions.

Thank you for helping pets in need.
